

مکہ مکرمہ مختلف شعبہ لر خواہ مکہ مکرمہ

This image shows a page from a Persian newspaper. The page is filled with dense columns of text in a traditional Persian script. There are several prominent, stylized headings in a larger, bolder font. One such heading, located near the top center, reads "محله آنلاین" (Online Neighborhood). Another large heading, towards the bottom left, is "حوادث مرغوب" (Desirable Accidents). The text is organized into various sections, likely news articles, with some sections having their own subtitles or sub-headings. The overall layout is characteristic of mid-20th-century Persian print media.
